

C° Fitz Roy or Chaltén 3445 mts ***Chalten Patagonia Argentina.***

The great giant of Patagonia, is one of the biggest goals of great alpinists of Argentina and the world. Routes like Franco-Argentina, Supercanaleta, Californiana, Afanasieff are some of the classic options on this peak.

Difficulty: Very high.

Duration: 4 to 5 days.

Pax: 1 climber.

Recommended time: November to March

Included: UIAGM/IFMGA certified guide, expedition meals, tent, cooking gear, group technical equipment, GPS, VHF and satellite communication, individual technical equipment (helmet, harness, crampons, safety carabiners, ice axes).

Not included: sleeping bag, insulation matt, high mountain boots, climbing shoes, backpack, technical clothing, meals outside the days of expedition, hotel.

Program: Depending on the time of year, mountain conditions and client's experience we'll choose one of the several options of routes:

Southeast Face. Franco-Argentina route (ice - mixed rock)

Northwest face. Afanassieff (rock)

West Face Supercanaleta (ice - mixed - Rock)

Although each one of them has its particularity, they all demand a great effort. In average, the climb takes 4 days.

Day 1: Approach to the base camp, depending on the route: Paso Superior, or bivouac on the west side. We travel forests and glacier moraines with differences of 800m approximately. 8hs day.

Day 2: Climbing until reaching the bivouac on the wall, on any of the different routes mentioned above. A 12-hour climbing day.

Day 3: We continue climbing to the summit and then start rappelling, usually via the Franco Argentina route which takes us to Paso Superior base camp.

Day 4: Return to the town from the Paso Superior camp.
