

## ***North Patagonia - Bariloche area***

### ***Patagonia Argentina.***

This ski trip in Bariloche and its surroundings will take us to different places, in search of the best snow conditions and weather. Fantastic views of this region will be our reward for the effort to get to the highest summits. Some of the options in Bariloche include Cerro López, Frey, Baguales and Frontera. For those interested in a more extensive tour we offer the Tour of the Volcanoes, majestic formations on both sides of the border, some of them in activity, also in North Patagonia. The program can be designed and customized according to the time availability, and the physical and technical level of the group.

**Difficulty:** Low to High.

**Duration:** 3 to 7 days.

**Pax:** 1 or 4 skiers.

**Recommended time:** July to September.
